

Grand Bay Hospitality Group

Hospitality with a Vision

Expense Management Service

In a rapidly evolving business climate hotel operators are challenged to reduce operating expenses across all areas.

Grand Bay Hospitality Group has developed a proven approach to leverage purchasing power for a property regardless of its size. With our RISK-FREE ANALYSIS of your existing buying practices, an expansive database, and the industry-wide relationships, Grand Bay Hospitality Group can lower your operating costs significantly. Improving client profitability through negotiated and measurable cost reductions in operating expenses, while maintaining quality and service, Grand Bay Hospitality Group helps drive maximum cash through to the bottom line.

A 5% REDUCTION IN OPERATING COSTS HAS THE SAME P&L IMPACT AS A 30% INCREASE IN SALES!

Client Benefits

- No financial risk - fees are contingency based
- Tremendous upside potential in decreasing operating expenses
- Eliminate overspending and maximize profits
- Our supplier alliances provide incomparable pricing structures
- Savings go straight to bottom line
- Minimal client staff disruption - minimal time commitment
