

Grand Bay Hospitality Group

Hospitality with a Vision

Complete Renovation & Maintenance Services

Grand Bay's Renovation & Maintenance Service was founded to provide contracting services to the hospitality industry. We are an industry leader in hotel and commercial property interior maintenance, repair and renovation management.

Working closely with owners and management through a single component of the project or full project management, Grand Bay strives to ensure project satisfaction.

Grand Bay guarantees delivery of quality work. Budget constraints and schedule/time allowances are of the utmost importance and carefully scrutinized before, during and upon completion of every job while maintaining communication throughout the project.

Project services include:

- All aspects of hotel maintenance
- PTAC installation, cleaning and maintenance contracts
- Pressure washing
- Parking lot seal coating and striping
- FF&E procurement, assembly and installation
- Repair, removal and installation of tile and carpet
- Cut down of TV armoires
- Bathroom counter replacements
- Interior and exterior painting and stucco repairs
- Knock down application
- Wall vinyl removal and hanging
- Installation of window treatments
- Project costing, planning and scheduling

A one stop shop for a minor repair project or a full blown renovation let Grand Bay show you why satisfied customers come back to us for years.
